Dear Judge David Lawson,

This is in regards to  
Nikolas Maraké and the  
upcoming sentencing. I'm  
not sure if this will help but  
I'd like to try.

I met Linda (Nik's  
mother) around 6-7 yrs. ago.

Nikolas was a sweet & funny  
kid. He would join in on  
a conversation of various  
topics & seemed quiet  
& knowledgeable. He always  
seemed to go out of his way  
to lend a helping hand.  
On the second time going  
to their condo, I got turned  
around, was totally on the

wrong street. Nikolas  
got on his bike and  
peddled to the entrance  
of the Condos to wait for me  
and wave me in. His  
mother did not ask him to  
do this. He did it out of  
kindness.

I am aware of his  
charges & the hurt he has  
caused to the people who  
love him. I am also  
very aware of his victims  
and the trauma they now  
have to live with and it  
heartbreaking.

But I truly believe  
Nikolas is a good, decent  
person and has regret &

remorse for his actions.

I know one day  
Nikolas will be an  
upstanding citizen and  
an asset to society.

He has so many wonderful  
qualities!

Please give him a  
chance to be the man I  
know he will be!

Thank you for your  
time.

Sincerely,  
Deborah O'Brien

A black and white photograph of a postage stamp. The stamp features a stylized illustration of a lightbulb with a plug at the top, and the word "ENERGY" in large, bold, block letters across the bottom. The word "FOREVER" is printed vertically on the left side, and "USA" is printed at the bottom left. The stamp is set against a dark, textured background.
